Thank you for your generosity and concern for
Saraland.

Your dues are tax deductible.

Projects we've accomplished with member support:

- Administration of Court's Community Service litter removal program for two years
- Litter Cleanups
- Built and maintain trash/planter receptacles
- Participate in cleanups at Adams and Saraland Elementary campuses
- Prepared grant for ALDOT to provide funding for construction of a sidewalk along Highway 43 in the central business district
- Provide aluminum can recycling at city boat launch and City Annex parking lot
- Provide paper recycling at City Annex and school campuses
- Sponsor Funky Junky Art Show for 4th and 5th graders
- Collect used clothing for local charities
- 2009 Harvest Festival Booth
- Co-sponsored 2009 Christmas Parade float with Going Green Club
- Gardening Workshop Spring 2010

Keep Saraland Beautiful

WHO WE ARE

Our organization was officially founded as a Keep America Beautiful affiliate in 1998 by

local businessman Ron Mitchell. Our second and current President is Juanita Chandler.

Since the beginning, Keep Saraland Beautiful has been eager to support the city in efforts to clean up and green up. KSB was instrumental in developing recycling in our area. We are proud to have aluminum can recycling in multiple locations, as well as paper recycling dumpsters throughout the city limits. We also seek to raise awareness of our efforts in the community through publishing our information in the local newspapers as well as the City of Saraland's website, www.saraland.org. Check us out! Individuals can become a member of our organization for as little as \$1 per month. Business partners are very important to us, and we engage their support with annual corporate memberships that start at \$120. In 2009, we began loaning our custom-made garbage/planter bins to our corporate members. Take a look around and see what we are doing!

President Juanita Chandler with members Jim Calhoun, Ty Chandler, and Sanford Flach

WHAT WE DO

KSB individual members and business representatives meet monthly to discuss ways we can improve the appearance of our city

KSB members and students weeding juniper bushes

and our neighborhoods, as well as any other topics of interest to our members. We have worked together to administer a Community Service Program, we have prepared custom-made trash receptacles for our business members, and we select a Yard of the Month. We participate in Keep America Beautiful's **Great American Cleanup (GAC)** each year from March to May, when we organize special events geared toward recycling and beautification in our community. For GAC 2009, we focused our efforts on clothes recycling and working with our new Saraland City School System. When campus cleanups were held at the elementary and middle school campuses, KSB members were there. We also sponsor annual school contests. There is much more we can do in the community, we just need your help!

HOW YOU CAN HELP

As a business owner who serves our local community, we value your experience. Partnering with KSB allows us to fund valuable projects here in our city. You will have an opportunity to suggest your own project ideas and ways to improve our community. That's what we are about! Making and keeping Saraland beautiful. We believe our city is on the brink of great things, and remaining stagnant is not an option. We are looking for people who want to make this a better place to live and do business.

Upcoming Meetings
in 2010

April 27
May 25
June 22
July 27
August 24
September 28
October 26
