PLANNING APPROVAL – THE SEASONS APARTMENTS**921 SHELTON BEACH ROAD****(EAST SIDE OF SHELTON BEACH ROAD AT THE EAST TERMINUS OF WEST LADNER DRIVE)**

PUBLIC HEARING TO CONSIDER THE REQUEST FOR PLANNING APPROVAL TO ALLOW A 28-UNIT APARTMENT COMPLEX IN A B-2, GENERAL BUSINESS DISTRICT, FILED BY AUTHORIZED AGENT ALA-SEASONS, LLC.

D. Logan Anderson, City Planner, explained the process for Planning Approval, and that the request at hand was to consider the use of the property as a 28-unit apartment complex. Mr. Anderson then gave a brief history of the site and a description of the request. Mr. Anderson offered the following findings of fact for approval: a) the proposal is appropriate with regard to transportation, access, water supply, waste disposal, fire and police protection, and other public facilities, due to the limited amount of dwelling units, limited access to Shelton Beach Road, favorably supportive utilities comments, compliance with public safety requirements, and compliance with waste disposal requirements; b) the proposal will not cause undue traffic congestion or create a traffic hazard because the amount of dwelling units is not expected to contribute to a large increase in traffic, and because access is limited along Shelton Beach Road; and, c) the proposal is in harmony with the orderly and appropriate development of the district in which the use is located because it would serve as a transition from explicit commercial uses to

medium- and low-density residential uses, and provide a large green space which may enhance the aesthetics of the surrounding neighborhood.

Mr. Anderson then recommended approving the request for Planning Approval subject to approval of the Site Plan.

The proper notices were sent advertising the public hearing, and Chairman Scooter Thronson opened the floor for public hearing.
