ORDINANCE NO. 1330

AN ORDINANCE AMENDING CHAPTER 12, ARTICLE II OF THE SARALAND MUNICIPAL CODE

WHEREAS, the City of Saraland has adopted a comprehensive business license ordinance; and

WHEREAS, the City approved an amended business license ordinance number 1295 on October 26, 2023 providing elimination of the police jurisdiction and amending the rates for special trade businesses and revising NAICS codes; and

WHEREAS, after further review of the ordinance some technical errors were identified and, as a result, several sections of the business license code should be altered, and

WHEREAS, it has been determined changes to the business license are appropriate.

THEREFORE, BE IT ORDAINED BY THE CITY OF SARALAND, ALABAMA THAT CHAPTER 12, ARTICLE II OF THE SARALAND MUNICIPAL CODE IS AMENDED TO READ AS FOLLOWS:

1) **Sec. 12-24 Levy of tax.**

Pursuant to the Code of Alabama, the following is hereby declared to be and is adopted as the business license code and schedule of licenses for the municipality for the year beginning January 1, 2024, and for each subsequent year thereafter. There is hereby levied and assessed a

business license fee for the privilege of doing any kind of business, trade, profession or other activity in the municipality, by whatever name called.

Pursuant to the Code of Alabama, the following is hereby declared to be and is adopted as the business license code and schedule of licenses for the municipality for the year beginning January 1, 2024, and for each subsequent year thereafter. There is hereby levied and assessed a business license fee for the privilege of doing any kind of business, trade, profession or other activity in the municipality, by whatever name called. Any band, singer or other form of musical act that provides as its sole form of performance within the City of Saraland, performances at the City of Saraland, Senior Center or at a City of Saraland, Senior Center sponsored dance located at the City Civic Center is hereby exempted from the requirement to obtain a business license, but only to the extent that said band, singer or musical act performs at no other location located within the City.

Sec. 12-25 Rate.

(a) *Corporate limits.* Each and every person, wherever located, who engages in any business within the corporate limits, shall pay an annual license according to the attached schedule of licenses, which is located at the end of this chapter.

(b) *Calculation method.* Unless another method is specified in the schedule, each license shall be calculated by multiplying the licensee's gross receipts for the prior year by the scheduled rate, using the following regression table which shows the percent of the license rate to be applied to gross receipts:

100 percent, to 1st million dollars or portion thereof.

80 percent, to 2nd million dollars or portion thereof.

60 percent, to 3rd million dollars or portion thereof

40 percent, to 4th million dollars or portion thereof

20 percent, to all amounts in excess of 4 million dollars.

(c) *Special rules for new businesses.* Any person applying for a new license shall provide an estimation of gross revenues derived from their business from the beginning date of operation to December 31 of the current year.

Sec. 12-43 Delivery License

(a) In lieu of any other type of license, a taxpayer may at its option purchase for \$100.00 plus the issuance fee, a delivery license for the privilege of delivering its merchandise in the municipality if the taxpayer meets all the following criteria:

- (1) Other than deliveries, the taxpayer has no other physical presence within the municipality.

- (2) The taxpayer conducts no other business in the municipality other than delivering merchandise and performing the requisite set-up and installation of said merchandise;
- (3) Such delivery and set-up and installation is performed by the taxpayer's employees or agents, concerns the taxpayer's own merchandise in that municipality, and is done by means of delivery vehicles owned, leased, or contracted by the taxpayer;
- (4) The gross receipts derived from the sale and any requisite set-up or installation of all merchandise so delivered shall not exceed seventy-five thousand (\$75,000) during the license year.
- (5) Any set-up or installation shall relate only to (i) that required by the contract between the taxpayer and the customer or as may be required by state or local law, and (ii) the merchandise so delivered.
- (6) If at any time during the current license year the taxpayer fails to meet any of the above stated criteria, then within 10 days after any of said criteria have been violated or exceeded, the taxpayer shall purchase all appropriate business licenses from the municipality for the entire license year and without regard to this section.

(b) Mere delivery of the taxpayer's merchandise by common carrier shall not allow the municipality to assess a business license tax against the taxpayer, but the gross receipts derived from any sale and delivery accomplished by means of a common carrier shall be counted against the seventy-five thousand dollars (\$75,000) limitation described in the preceding section if the taxpayer also during the same license year sells and delivers into the taxing jurisdiction using a delivery vehicle other than a common carrier.

(c) A common carrier, contract carrier, or similar delivery service making deliveries on behalf of others shall not be entitled to purchase a delivery license.

(d) The delivery license shall be calculated in arrears, based on the related gross receipts during the preceding license year.

(e) The purchase of a delivery license shall not, in and of itself, establish nexus between the taxpayer and the municipality for purposes of the taxes levied by or under the authority of Title 40 of the Code of Alabama or other provisions of law, nor does the purchase of delivery license conclusively determine that nexus does not exist between the taxpayer and the municipality.
