(EAST SIDE OF CELESTE ROAD, 155'± EAST OF THE TERMINUS OF CELESTE COURT, A PRIVATE ROAD)

PUBLIC HEARING TO CONSIDER THE REQUEST FOR PLANNED UNIT DEVELOPMENT APPROVAL TO ALLOW A PRIVATE STREET SUBDIVISION, FILED PROPERTY OWNERS JIM AND JACKIE MOORE.

Chairman Scooter Thronson asked for comments from D. Logan Anderson, City Planner. Mr. Anderson described the request and provided the following recommended findings of fact for approval of the Planned Unit Development: 1) the proposal provides an opportunity for the best use of land in that it maintains the residential character of the surrounding neighborhood; 2) the proposal protects valuable natural features in the community by retaining larger lot sizes that prevent greater building coverage, thus preserving much of the existing site conditions; 3) the proposal provides an increased use of public services which may increase the development of such services for the community; and, 4) the proposal encourages the unified development of tracts of land and much more creative and flexible concepts in planning by facilitating a private road, and by limiting the development of the site to single-family dwellings whose impact on the use of the land may be considered less demanding of resources than denser multi-family developments. Mr. Anderson recommended the approval be subject to the following: 1) Revision of the site plan to identify the two sizes depicted on Lot 1A; 2) Approval of the Preliminary/Final Plat; 3) Provision of two (2) copies of the revised plan to the Saraland Building Department; 4) Compliance with

Engineering comments; 5) Compliance with Fire Department comments; and, 6) Compliance with all other applicable Codes and Ordinances.

The proper notices were sent advertising the public hearing, and Chairman Scooter Thronson opened the floor for public hearing.

Mr. Fred Robertson of 3549 Celeste Court inquired about the maintenance of the private road. Mr. Anderson explained that the property owners were responsible for the maintenance of the road. Mr. Robertson inquired whether the City of Saraland would be responsible for garbage pickup. Mr. Anderson explained it would be the property owners' responsibility for garbage service.

The public hearing was closed.
